Product Family: Food Warming Equipment

Triple Heating Lamp with Base

Ideal for large-scale food service, this triple heating lamp offers extensive heat coverage to maintain the perfect serving temperature for multiple trays or dishes.

Designed with a stable base and compatible with three GN 1/1 trays, it's a reliable solution for busy kitchens and buffets. Its black finish provides a bold and stylish option that seamlessly blends with contemporary settings. The included white bulbs provide consistent and energy-efficient heating, ensuring food stays warm and appetizing. Don't let your dishes go cold, upgrade your setup with this versatile heating lamp.

Features & Benefits

- 220-240V, 3x 250 W, 50/60 Hz
- Triple-lamp design for maximum heat coverage, ideal for larger serving stations
- Includes white bulbs for reliable and even warming
- Stable base design ensures secure placement during use
- Compatible with three GN 1/1 trays
